WAI Members & Friends Honor the WASP on Memorial Day For the seventh year, WAI members and chapters visited the graves of the pioneering Women Airforce Service Pilots (WASP) and left an appropriate flower, flag, or note during Memorial Day weekend, May 24-27.

These memorable visits were shared on social media using the hashtag #HonorTheWASP as a way to remember these trailblazing pilots.

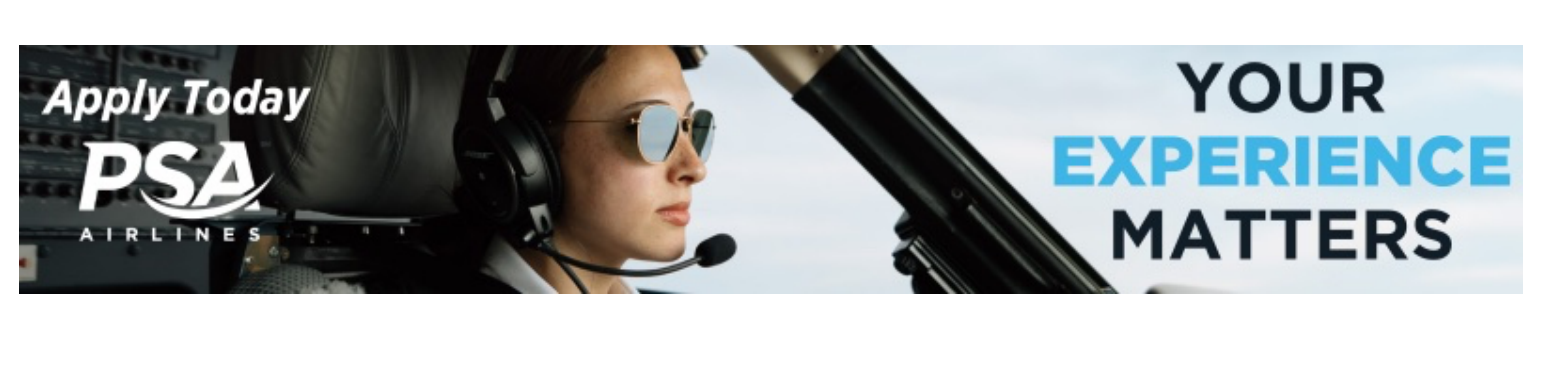

More information and a database of WASP gravesites at cemeteries across the United States can be found here.
