Annual Chapter Reporting

Annual reports are compiled by Women in Aviation International Headquarters for all Official Chapters requiring specific information and documentation. This ensures that all chapters are meeting the requirements of the WAI Bylaws, which in turn, ensures that WAI is meeting the requirements that are in place to maintain our 501(c)3 non-profit status, and that WAI's insurance remains in good standing.

It is also a good idea for new officers to review the Annual Chapter Agreement to ensure that they are familiar with the reporting requirements for chapters. **Annual reporting is required by all Official Chapters over one year.**

Each year, **before April 30**, Official WAI chapters over one year must:

- File the 2024 Annual Chapter Report [HERE](#) 
- Pay Annual Chapter Administrative Fee of \$135 (plus any past due amounts). *Please note that a \$25 late fee will apply to all payment received after April 30th.

The Annual Chapter Administrative Fee of \$135 is due by April 30
