Welcome

“The greatest freedom is permitted in open discussion. Not among the least of the benefits derived from these annual conferences are those of a better and wider acquaintanceship among the delegates, and a broader and more intelligent outlook on life in its varied phases.”

Alfred C. Schmitt, WEAI’s First President

We couldn’t agree more, and are grateful to welcome you back in person to WEAI’s 97th Annual Conference, marking 100 years for the Association that started in 1922 at the Benson Hotel just down the street. So much has changed since then, and even in just the past two years, but the benefits of meeting with your colleagues whether in person or online remains the same. We hope you find the conference professionally rewarding, and that you’ll plan to join us next year in Melbourne and San Diego!
