Kudos:

“This was a great event and I am so glad that I was able to participate. I had the opportunity to meet a lot of incredible women and learn more about the growth opportunities in the manufacturing industry. It was also inspiring to hear about career journeys of the panelists, struggles that they have had, and how they have overcome adversity. “

“was a great host, it was a 2 hr commute for me and worth it. Very organized and I really liked that we got to speak with several employees along the tour and see the manufacturing process up close.

“I had a lot of fun getting to know more women in the industry and hearing their stories. The Venue was lovely and looking forward to attending more classes there in the future. I have been telling everyone about it that I can.”

Call for Coaches

Women in Manufacturing is partnering with the Women in Manufacturing Education Foundation (WIMEF) to provide coaches for their next [Women in Production program](#). This is an opportunity for certified coaches to support emerging leaders in production through impactful coaching and watch their growth over a 20-week journey.

Coaches play an important role in helping participants translate learning into action and apply leadership concepts in their day-to-day work environments.

2026 Program Timeline

April 8: Application Open

May 15: Applications due

May 22: Coaches are notified of acceptance to the program and contract issued

May 29: Signed contracts due to WIM Services

June 23: Mandatory Coach Orientation via Zoom

June 25: Program Kickoff at noon ET via Zoom (optional for coaches)

July 9: Coaches and assigned participants are connected via email

July 10 – November 4: Complete four 30-minute coaching sessions with each assigned participant

November 12: Graduation at noon ET via Zoom (optional for coaches)

We are looking for coaches to work with between 5 -15 participants each. Coaches will be chosen by the participants and compensations is \$175 per participant you are coaching.
