CHAPTER PERFORMANCE UPDATES

Events Scheduled April 1, 2025 – March 31, 2026 = **503**

- Unique registrants: **6,576**
- Unique companies: **3,170**
- Event Feedback surveys received FY25 = **1,162**

Kudos:

“I appreciate these group volunteer events. I am a solopreneur and enjoy the opportunity to do them in a group. I tend to find one organization and stick with it. I wouldn't find some of these ones we get out to if it wasn't for WIM.”

Constructive Feedback:

“Overall, I really enjoyed the event and found it worthwhile. I appreciated its casual, unscripted format. To help encourage broader participation, it might be beneficial to incorporate a seat-switching element, similar to a speed-dating setup, so attendees interact with more people. It could also help to hold the event in a separate room to reduce background noise, though I understand that may not always be possible depending on venue availability.”
