

Jel Sert is located at 501 Conde Street, West Chicago, IL 60185.

From Route 59/Neltnor Blvd, turn West onto Conde Street and take this down to the first side street, Thomas Marzani Way, and turn right. Thomas Marzani is a one-way street.

You will need to go down through the second gate and then you will see our Security Office on your right-hand side, just past the employee entrance. Visitor parking is just past the Security Office.

Please check in with Security, receive your visitors' badge and then you will need to get back into your car and drive around the block to our Training Center.

To get to the Training Center, pull around the parking lot and turn right upon exiting. You will go past a large gate. At the first street, Clayton Street, turn Left. Take this down to Conde Street and turn Left again.

Once on Conde Street, turn Left onto Thomas Marzani Way and make a quick right into the Training Center Parking Lot. If there is no parking available, there is additional parking across the street.

A member of the Jel Sert staff will meet you at the Training Center Door.
