CONNverge

September 12th, 2025, from 11:30 – 4:00 at the DoubleTree Hilton in Bristol, CT
CT Women in Manufacturing Conference Sponsorship

Show your support of women in manufacturing through a CONNverge sponsorship. This interactive half day conference will focus on issues in the workplace and offer opportunities for those working manufacturing, as well as its support sectors, to network and grow. Whether you're looking to build your brand, share knowledge or make connections, a CONNverge sponsorship will showcase your company to an expected 300 manufacturing and business leaders. This event is presented by the WiM Connecticut Chapter and is supported by CONNSTEP and Paul Lavoie, Connecticut's Chief Manufacturing Officer.
