

JOIN US IN EMPOWERING WOMEN IN MANUFACTURING

Women in Manufacturing (WiM) is dedicated to supporting, promoting, and inspiring women in manufacturing careers. Through powerful and proven resources, we empower women in the industry and the companies that employ them. With 37% of WiM's 30,000 members located in the Midwest, we have a strong and engaged network ready to grow.

Why Sponsor WiM Western PA?

- Gain high-visibility marketing opportunities across social media and events
- Showcase your company
- Connect with top talent and industry professionals
- Strengthen the manufacturing workforce with empowered and skilled women
- We also encourage our male colleagues to join us, and they do - we call them Allies!

Make a Lasting Impact!

Your sponsorship will help fund events, resources, and initiatives designed to support and inspire women in manufacturing careers. Join us in making a difference in the industry while enhancing your company's visibility and commitment to diversity and workforce development.
