Corporate Membership

[Click to edit](#)

If your company is already a Corporate Member of WiM, click [here](#) to create your WiM member profile.

Corporate members are considered to be strategic partners of WiM and our association's strongest advocates. Corporate members are interested in, and invested in, attracting, retaining, and advancing their female talent, and utilize the national network, personal and professional development opportunities, and educational and industry resources provided by WiM.

As a Corporate member of WiM, your organization will provide a platform for you and your colleagues to share information, ideas, and experiences with other successful women at major corporations throughout the U.S.

If your organization were to join as a Corporate member, you and anyone within the organization is able to enroll in membership at no cost. Anyone within the organization may take advantage of the following benefits:

Step 4:
