COMMUNITY
TODAY!

WELCOME

We are excited to announce that our company is now a corporate member of Women in Manufacturing® (WiM), the only national trade association dedicated to supporting, promoting and inspiring women who have chosen a career in the manufacturing industry.

Employee Membership is FREE

Our company is a corporate member which means your membership is on us. Easy sign-up, instant access!

Next-Level Networking

Connect with industry experts at conferences like the annual SUMMIT, MOMS in MFG and Regional Conferences. Meet your future mentors, collaborators and friends at WiM's networking events.

Local Connections Across the Country

With chapters located throughout the U.S. you're never far from the WiM community. Get involved locally and make a nationwide impact. Participate in networking events, educational events, plant tours and more!

Empowerment Through Education

Educational programs, including the Leadership Institute, Management Development Program and Empowering Women in Production, are tailored to enable you to lead with confidence.

24/7 Virtual Learning

Dive into WiM's Virtual Learning Series and Virtual Learning Library, which can be accessed anytime for online learning.

Community of Like-Minded Members

At WiM, you won't ever feel alone. Connect with a group of incredible women in manufacturing who understand your journey.

See reverse for sign-up details.

CONNECT WITH WiM

-  womeninmanufacturing.org
-  Women in Manufacturing
-  @WomeninMfg
-  WomeninMFG

An exciting opportunity is waiting for you.

Thanks to our corporate member status with Women in Manufacturing, you can enjoy a complimentary WiM membership. To access all the benefits, there's just one simple step you need to take. Complete WiM's enrollment form, where you'll choose 'Corporate Professional' at the top of the page. This ensures you can make the most of being a WiM member and all the advantages that come with it.

Scan this QR code to get started now.

Questions? Visit womeninmanufacturing.org to view step-by-step instructions.

But that's not all – we encourage you to dive even deeper into the WiM community by:

1

Participating in WiM's Member Town Halls, where you can connect with fellow members and share in the collective wisdom

2

Strengthening your network by affiliating with a local chapter, unlocking regional opportunities and connections

3

Elevating your skills and knowledge by registering for one of WiM's Virtual Learning Series sessions

4

Proudly displaying your affiliation with WiM by adding the 'Proud Member of WiM' logo to your signature

JOIN THE WiM COMMUNITY TODAY

Be part of a strong and inspiring female-led community, working together to shape the future of the manufacturing industry!
