

Join manufacturing professionals from across the industry at the 16th annual WIM SUMMIT. This is where leaders, innovators and workforce champions come together to tackle today's biggest challenges and prepare for what's next.

Conference Highlights:

- 70+ educational sessions
- 60+ exhibitors in the WiM Expo
- Inspiring keynote speakers
- Unlimited networking opportunities
- Dedicated tracks for every career stage
- Real conversations around workforce, technology and leadership
- Practical ideas you can take back to your team

Looking to bring your team to this year's WIM SUMMIT?

Take advantage of special group packages. If you're ready to start planning or have questions, reach out to Lizzy Lufkin at elufkin@womeninmfg.org.

Ready to go *All In?*

**"Wow — what an experience!
The presenters were
absolutely amazing!
So much good
information to take
in and apply in my job."**

Safety Manager,
Smithfield Foods, Inc.

**"This is a must-go event if
you are part of manufacturing!"**

Senior Director,
Sanofi

**"It's more than just an event — it's a space
that fosters growth, empowerment, and
meaningful collaboration across all levels
of the industry."**

Senior Technical Sales Representative,
Altec Industries, Inc.

WIM
WOMEN IN MFG
