

Women in Manufacturing (WiM) is committed to fostering growth, development and inclusion across the manufacturing industry. Through a diverse array of conferences and events, WiM addresses a wide range of topics—from career advancement and leadership development to navigating work-life integration. These programs and events are designed to accelerate professional growth, strengthen leadership skills and keep professionals informed on the latest industry trends.

2026 Events

WINTER WORKFORCE CONFERENCE

February 16-17 | Clearwater Beach, FL

Who should attend? Corporate member representatives, including HR professionals, operations leaders, and organizational decision-makers

This event is an exclusive benefit for WiM's National Board of Directors and corporate member company representatives to discuss and determine solutions to common industry challenges, network and exchange ideas, and walk away with tangible next steps to improve their workforce attraction, engagement and retention.

MEN AS ALLIES

February 18 – 19 | Clearwater Beach, FL

Who should attend? Men and those who support the development and advancement of women in industry

This conference will provide a thought-provoking platform to discuss the critical role of men as allies in manufacturing. Knowledge experts will present evidence-based data and real-world examples to demonstrate the benefits of building workplaces that drive innovation, growth, and global competitiveness.

WiM EAST

March 2 | Hartford, CT

Who should attend? Anyone in manufacturing, especially those who are based in the eastern region of the U.S.

This full-day conference features informative and interactive sessions that allow participants to gain access to key industry content shared by regional thought leaders.

MOMS IN MFG VIRTUAL CONFERENCE FOR CAREGIVERS

May 7 | Virtual

Who should attend? Parents and caregivers in manufacturing

This virtual event supports mothers and caregivers and offers an opportunity for them to establish connections, exchange valuable insights and gain access to customized resources tailored to their unique experiences as a mom or caregiver in manufacturing.

WiM SUMMIT

October 7 – 9 | Las Vegas, NV and Virtual

Who should attend? Anyone in manufacturing

This is the only conference of its kind that focuses on empowering women in manufacturing. This three-day event features trailblazers and thought leaders, enriching breakout sessions and exclusive plant tours and networking opportunities. Connect, collaborate and catapult your career to new heights.
