Virtual Event

Moms in MFG is a virtual program produced by the Women in Manufacturing Association (WiM) for those participating in life's constant juggling act - being a working parent! This half-day program will feature a fireside chat, an engaging and interactive panel discussion with working moms in the manufacturing industry, and opportunities to connect on timely topics that continue to impact women and parents in our industry.

ALL LEVELS OF SUPPORT INCLUDE:

- Company logo and link on the [WiM website](#)
 - Logo recognition during the event
- Sponsor shout-out on Women in Manufacturing social media channels

PRESENTING SPONSOR - \$5,000 (1 AVAILABLE)

- Logo included in the event banner displayed on the WiM website
- Opportunity to speak at opening of the event for up to 3 minutes
- Ability to moderate a fireside chat for 10 minutes during the program
- Digital ad can be included in email communications to attendees ahead of the event
- Access to attendee registration list from those who opted in
- Five complimentary registrations to the event

SUPPORTING SPONSOR - \$2,000 (UNLIMITED AVAILABLE)

- Logo included in email communications to attendees before and after the event
- Opportunity to lead discussion in breakout networking session group (applicable topics selected by WiM will be provided ahead of the event)
- Access to attendee registration list from those who opted in
- Two complimentary registrations to the event
