Leaders transitioning into senior or executive roles in the next 24 months

Contact: Michelle Blackford
mblackford@womeninmfg.org

The Leadership Accelerator is a high-impact, half-day experience designed for leaders preparing to step into senior and executive roles. Through realistic leadership scenarios, participants strengthen strategic thinking, apply practical change frameworks, and refine their executive presence.

This immersive, in-person experience brings together a select group of high-potential leaders for meaningful peer exchange and applied learning - culminating in a networking reception that fosters lasting connections across the manufacturing industry.

WHY SPONSOR?

Sponsoring the WIM Education Foundation Leadership Accelerator positions your organization at the forefront of developing the next generation of manufacturing leaders.

Sponsors gain direct visibility with high-potential, soon-to-be executive talent from across the industry, along with premium brand exposure during WIM's SUMMIT, as the program takes place alongside this flagship event.

Beyond visibility, sponsorship is an investment in the future of the manufacturing workforce - supporting the development of skilled, confident leaders who will shape the industry for years to come.

LEADERSHIP ACCELERATOR
