rising for domestic peace

ABOUT D.A.W.N.

Started by two volunteers who were seeking services for a friend who was experiencing domestic violence, DAWN has grown over the years to provide a continuum of community- and shelter-based services to more than 380,000 survivors of domestic violence.

Long-term, DAWN works towards safe, just and equitable communities for everyone. If they don't help create this social change, no organization will ever be able to keep up with the demands of housing and support for domestic violence victims. DAWN would like to put themselves out of business. Until that day, they continue to provide safety, shelter, education and prevention. WMFHA has donated over \$100,000 to DAWN from past events.
